### 2 Bayang (Balinese Cuisine)

Blk A #01-05  
Tel: 6337-0144. [www.katrinahdgs.com](http://www.katrinahdgs.com)

The elegant yet comfortable interior provides the perfect setting to relax in the middle of a workday. Be sure to try the crackers served before each meal with a deliciously addictive chilli dip. Diners can choose from chicken satay, spring rolls or begedel appetisers. The satay is juicy, big and tasty. Soto ayam mandura or sop sapi are the soup choices, and main course is either Ayam Rendang with white rice or Bak Mee Goreng Laut. The former is fragrant with tender chunks of chicken, while the latter had generous portions of fresh seafood. The set lunch also includes lime juice or iced lemon tea.

### 3 Cocoon Alfresco by Indochine (Indochine Dining)

Blk A #01-02  
Tel: 6557-6268. [www.IndoChine-Group.com](http://www.IndoChine-Group.com)

Indochine offers a delectable Vietnamese spread. Dine on their signature Indochine-style kway teow noodle or Khmer-style chilli and basil chicken served with rice. The set is served with coffee or tea.

### 4 Vintry at Royal Selangor (Wine Bar & Restaurant)

Blk A #01-01  
Tel: 6338-2808. [www.vintry.com.sg](http://www.vintry.com.sg)

Vintry offers delicious local fare such as roast pork rice, hokkien mee and pan-fried dory fish. The set includes soup, salad, an ice-cream dessert and a choice of Illy coffee or Gryphon tea.

### 5 Spring Spa (SPA and Cafe)

Blk B #02-03/04  
Tel: 6533-6288. [www.springspa.com.sg](http://www.springspa.com.sg)

Spring Spa is technically more of a spa that serves food than a restaurant. Wholesome and nutritious, the dishes are reminiscent of home-cooked favourites. Best of all, the set lunch comes with a 15 minute shoulder massage or foot reflexology – just the thing to work up a healthy appetite. After your tension is kneaded away, try the crispy noodles and double-boiled soup, which go beautifully with the gravy. Menu selection changes every day.
